Subject: Dominion's Proposed Modification of the Agreed Confidentiality Order

As we discussed you have tentatively agreed on behalf of your clients that they have no objection to Dominion's proposed change to the Confidentiality Order. I committed to sending you the proposed language so that you could provide me with your definite response regarding Dominion's proposal. Here is the proposed language:

No Receiving Party with access to Confidential Information or Items of Dominion Enterprises, Inc., its affiliates and subsidiaries ("Dominion") shall provide advice, legal or otherwise, regarding business relationships with or business conduct affecting Dominion until one year after the conclusion of this Action. This prohibition does not extend to general advice, legal or otherwise, that the Receiving Party has concluded affects Dominion no differently than its competitors after undertaking reasonable due diligence to investigate the potential effect.
